The Department of Computer Engineering had organized a Workshop on **"My Story-Motivational Session by Successful Entrepreneur/Start-up founder"** on **29th November 2023.** Target Audience were 3rd and 5th Semester B.E. Students of Department of CE.

The Workshop was inaugurated at **11**am in the Class Room C-223 with welcome address by Dr S P Manikandan, HoD, Dept. of Computer Engineering followed by Introduction of resource person **Mr. Rishav Agarwal Founder & CEO, Picxele – Bengaluru.** by Mrs. S Pramila, Assistant Professor, Dept. of Computer Engineering.

Mr. Rishav Agarwal addressed the students with his entrepreneurship journey; students interacted with the resource person to gain more knowledge about various opportunities available in the market and their demand in the IT Industry.

Finally, event concluded with vote of thanks by Prof. Chandan Raj B R, Senior Assistant Professor, Dept. of Computer Engineering.

Outcome: The students were able to think and adopt the strategy of setting up a startup with the solution to the problem. Got exposure to upskill their skillset through the benefits hidden in the internship provided by the companies in the domain of their interest.
