Dr. Manjunatha

The Department of Computer Engineering had organized a Workshop on
“MOST POPULAR WEB DEVELOPMENT FRAMEWORK” on

13th October 2023. Target Audience were 7th Semester B.E. Students of Department of CE.

The Workshop was inaugurated at **9:30am** in the Computer Lab (C-223) with welcome address followed by Introduction of resource person Mr. Raghu Prasad K S, CEO, Kaushalya Technical Training and Consultancy Services (kaushalya.tech) by Mr. Chandan Raj B R, Senior Assistant Professor, Dept. of Computer Engineering. Later a small token of Gratitude was presented by Dr S P Manikandan, HoD, Dept. of Computer Engineering.

Then Mr. Raghu Prasad K S addressed the students with ICT and later conducted hands-on session for the students. During the session, students interacted with the resource person to gain more knowledge about various web frameworks available in the market and their demand in the IT Industry.

Finally, event concluded with vote of thanks by Ms. Swetha A N, Assistant Professor, Dept. of Computer Engineering.

Outcome: Students gained knowledge and hands on experience of different Web Development Framework.
