The Department of Computer Engineering had organized an Event on **“How to plan for the Startup Legal and Ethical Steps”** on 31st May 2024. The target audience were the student of 2nd year BE students of Department Computer Engineering.

The event was inaugurated at 11AM in the class room C-203 with welcome address by Prof. Chandan Raj B R, IIC Coordinator of CE, Followed by introduction of resource person Mr. Burri Ankaiah, Assistant Professor, Head IPR & Startup Cell ULLC, Reva University, Bengaluru by KJ MOHIT, student of 4th Semester.

Mr. Burri Ankaiah addressed the students about the startups, about the legal and ethical considerations, foundation for the startup. Then he spoke about the elements of success in startups.

OUTCOME:

The students were able to think about the strategy of setting up a startup. They got the exposure to legal and ethical considerations, Taking proactive steps to ensure compliance with legal requirements and embedding ethical principles into the business practices.
